6. **Summary Scope of Contract:**

The main goal of this study is to conduct the water audit of DOWASCO, with the objective of establishing the baseline for Non-Revenue Water (NRW) of the system. Therefore, all components of the NRW as per the International Water Association methodology will be defined by the Consultant. Furthermore, the Consultant will identify priority areas for remedial action, to meet internal policies, comply with legal obligations or demonstrate DOWASCO's commitment to sustainability in terms of NRW. As a final product a sustainable NRW Reduction Action Plan will be developed.
