FUNDING

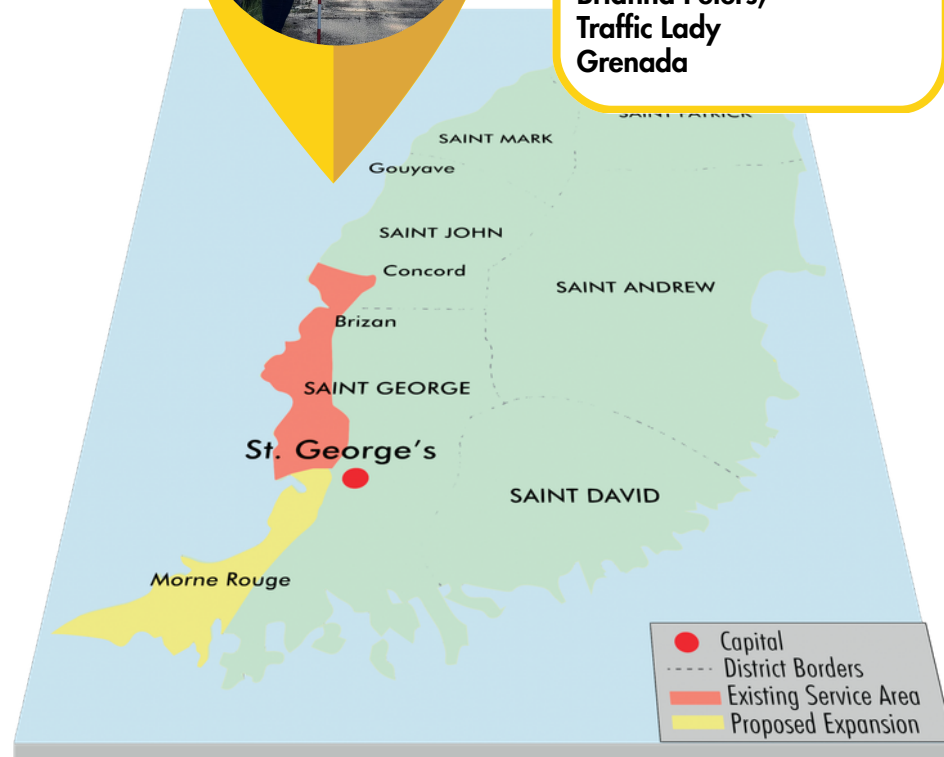

UKCIF Grant
£17.7M
(US\$22.1M)

Government of
Grenada
US\$0.606M

"I was unemployed before, now I'm employed, as a traffic lady. This opportunity is important for empowerment of women. I am learning a lot and I want to learn how to operate heavy machines."

**Brianna Peters,
Traffic Lady
Grenada**

This project has been made possible through a grant from the United Kingdom Government under the UK Caribbean Infrastructure Fund (UKCIF), which provides grant funding for climate-resilient infrastructure projects to encourage growth and to support improved livelihoods, poverty reduction and safer conditions for residents. UKCIF is administered by the Caribbean Development Bank (CDB). For more information, please visit their social media page.
