"As a wheelchair user, I got to test access points and share feedback with the project team to improve accessibility. I felt truly included."

Kevin Jn Baptiste,
Trustee & PR Officer,
National Council for
Persons with Disabilities
- March 2025

This project has been made possible through a grant from the United Kingdom Government under the UK Caribbean Infrastructure Fund (UKCIF), which provides grant funding for climate-resilient infrastructure projects to encourage growth and to support improved livelihoods, poverty reduction and safer conditions for residents. UKCIF is administered by the Caribbean Development Bank (CDB).
