2. **Name of Successful Consultant:** Consortium Equal Chance @ Green Development and Praxis5
3. **Successful Proposal's Price:** USD 72,735.00
4. **Commencement Date of Contract:** September 18,2017
5. **Duration of Contract:** Three months
6. **Summary Scope of Contract:** The purpose of the Baseline Study is to establish a basis from which future performance measurements can be calculated and provide critical reference points for assessing changes and impact resulting from the CDRRF Project.

The main objectives are: to establish baselines or benchmarks disaggregated by criteria such as sex, age, disability status for the Project's PMF outputs, outcome, impact indicators which can be used for comparing results and assessing progress towards achieving project outcomes, at the end of the Project's implementation period and secondly; to establish from a social and gender lens, key socio-economic and environmental indicators and baselines as they relate to disaster risk management and climate change adaptation in the Project beneficiary communities.

7. **Note: Selection Method:** Consultant Qualification Selection, therefore proposal was only sought from above-mentioned consultant who submitted the highest ranking Expression of Interest
